Dear XX,

I am participating in the Sydney to Surfers Robbo's Ride [year] and fundraising for Youth Off The Streets because I care about the 47,000 homeless young Australians who need our help.

The Sydney to Surfers Bike Ride is in its 22nd year and runs from [date] to [date]. I will be averaging 140km's of riding per day.

Did you know that Youth Off The Streets has been working with the most disadvantaged young people in our communities for 25 years? Youth Off The Streets' goal is to see that no young person is denied the right to education, safe accommodation, drug and alcohol rehabilitation, counselling and other support services.

Please help me break the cycle of disadvantage by donating to my Fundraising Page at this link:

Your donation will help get kids out of crisis and away from danger and support them to turn their lives around.

You can also help me by sharing my Fundraising Page with your family, friends and work colleagues by email and on social media.

Thank you for your support.

Dear XX,

I have decided to participate in the Sydney to Surfers Robbo's Ride [year] to help Father Chris Riley's Youth Off The Streets.

The ride will take place from [date] to [date] and is organised through the Rotary Club of Engadine.

The annual ride raises much needed funds for the thousands of disadvantaged and homeless young people on Australia's streets. Youth Off The Streets aims to help disconnected young people to discover greatness within through helping them out of crisis and away from danger, and supporting them to turn their lives around.

This is the 22nd year of the Sydney to Surfers ride and a total of \$3.5m has been raised for Youth Off The Streets directly from this ride alone. In [year] we are hoping to add to this total. Can you help?

I was wondering if you would be interested in sponsoring me and making a donation to Youth Off The Streets. I will be on the bike for 7 straight days riding a total of 1,000kms averaging around 140kms per day and would be appreciative your support.

There is no set sponsorship amount and your donation through everydayhero is fully tax deductible, some give a little some give more. I would be so grateful if you can please help me reach my personal target of \$XX.

To support me please donate at my Fundraising Page here:
